Sports

The Lady Panthers kicked off their softball season with some wins, one of them being 16-0 against Hornbeck. They also played in a tournament this weekend where they won both of their games! They beat Georgetown 5-3 and Montgomery 11-1.

Our BHS baseball team also had a great start to their season. Last week they played in a tournament in Rosepine with a 14-4 win against Leesville and a tough loss against Deridder. They also played against Crowley on Saturday and won 5-2!

The Lady Panther basketball team wrapped up their season a couple of weeks ago. They had a good season with an overall record of 12-9! They made it to the first round of the playoffs but unfortunately lost to South Plaquemines.

The boys basketball team also completed their season. Special thank you to senior Jawann Green. We appreciate your hard work and dedication to our BHS basketball team!

Debate Topic: Should St. Patrick's Day be considered a national holiday?

Pros:

St. Patrick's Day is a very important holiday that honors St. Patrick, a saint and missionary. He is known for spreading Christianity throughout Ireland during the fifth century. I think people enjoy celebrating St. Patrick's Day because of the traditions such as wearing green and getting pinched if you don't wear green. Some people also think wearing green will bring you good luck.

Cons:

Only a small percentage of people are Irish or come from an Irish descent. We are not an Irish nation so there is no reason to recognize it on a nation level. Also, who wants to get pinched multiple times a day for not wearing green.
